WHY RENT YOUR HOME?

When I will sell you one with small payment down and give you ten years to pay for it in monthly installments that will be no larger than you pay for rent. If I haven't a home that suits you I will build one for you to your liking and charge you only the cost of the building plus a fair price for the lot. If you want a home of your own, I'd like to talk it over with you.

COLUMBIA BEATS ASHLAND

Local Wabadas Are Victors 5-4, in Fast, Clean Ball Game.

The Columbia Wabadas defeated Ashland at the local fairgrounds Sunday afternoon 5 to 4. The game was clean and fast; only four errors were made, two by each team.

Reagan, Columbia pitcher, did not walk a man, allowed but six scattered hits, and struck out nine. Burnett, left-handed, started the game pitching for Ashland, and Basnett, who hurled for Wilton last year defeating Columbia three games out of four, finished. Burnett walked two, fanned three and allowed four hits; Basnett walked four, and gave six hits, but he struck out eight men.

Goltra Barges to Run.

CARNIVAL HERE THIS WEEK

Shows to Present Attractions at Fair Grounds.

The Siegrist & Silson shows, which will open a week's engagement at the fair grounds this week, arrived late last night from Kansas City, Kan., where they closed a two weeks' engagement under the auspices of the American Legion. The show carries twelve attractions, five big rides and two free acts, which will be presented each day during the week beginning tonight.

A band will give daily concerts on the streets, and will furnish the music at the grounds. All day the fair grounds have been a busy place, and by night everything will be in readiness for the opening.

PEACE CONGRESS DISCUSSED

Dr. E. R. Hedrick Attends Two Mathematics Conventions.

The establishment of an international mathematics peace congress in 1924, and the financing of expensive scientific publications, were among the problems discussed at the recent meeting of the National Research Council, Division of Physical Sciences, at Washington, D. C., which Dr. E. R. Hedrick attended.

During his trip, which lasted from April 13 to April 25, Doctor Hedrick was present also at a special celebration of the twenty-fifth anniversary of the Chicago section of the American Mathematical Society, at which a fund of \$2,000 for mathematical publications and prizes was established in honor of Prof. E. H. Moore of Chicago. Later he attended a meeting held at Bryn Mawr in honor of Charlotte Angas, first woman to take the famous tripos examination at Cambridge, and addressed meetings of the mathematics teachers at the University of Pennsylvania and at the United States Naval Academy.
